REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 CFR §1.322 and §1.323

Sir:

In accordance with the provisions of 37 CFR §1.322 and §1.323 which implement 35 USC §254 and §255, respectively, **Applicants respectfully request a Certificate of Correction** in the above-identified patent to correct errors in the printed patent.

The errors are listed below:

1. On the face of the patent, at (60), the date "Aug. 18" should be corrected to "Aug. 21".
2. In the first paragraph of the patent, col. 1, line 6, the date "Aug. 18" should be corrected to "Aug. 21".

Please note that the filing date of the Provisional Application 60/226,602, to which US Patent 7,112,183 claims priority, was correctly specified in the Declaration filed along with the patent, as well as in the first paragraph of the patent application as filed. However, it was incorrectly listed as August 18, 2000 in the Patent Application Transmittal, as well as in the Preliminary Amendment filed on March 26, 2004 and in the Amendment filed on April 28, 2005 due to clerical error. While in these Amendments the filing day of the Provisional Application 60/226,602 was not marked for amendment, it was nonetheless amended by the United States Patent and Trademark Office, and the printed patent now reflects both of these errors.
